

THE RUGBY FIVES ASSOCIATION

Racial Equality Statement

The Rugby Fives Association is committed to achieving equal opportunities and making fives accessible to all.

The Association pledges to:

- challenge and remove racial discrimination in Rugby Fives
- encourage people from all communities to become involved in the sport
- welcome players and spectators from all communities, and protect players and spectators from racial abuse and harassment
- develop the best possible racial equity policies and practices that are subject to regular review and up-date
- celebrate cultural diversity in Rugby Fives
